2015 COMMANDER™—GENUINE ACCESSORIES

GEAR RAIL

Stationary rail system specially designed for your side-by-side vehicle. Multiple mounting options for the Can-Am accessories by Kolpin line-up like the Gear Grips, Fuel Packs, Gun Boot 6.0 Impact and more.

REAR WINDOW NET

Sharp look, easy installation.

LIGHT RACK

Made of rugged aluminum with a textured black finish. Essential protection for your accessory lighting systems. Fully integrated. Can be mounted directly on the roll cage and fits the Sport Roof.

SPORT ROOF

Ultimate protection, style and integration. Easy to install and remove.

CAB ENCLOSURE

Encloses cab of vehicle to protect rider and passenger from the elements and cold. Also keeps hot and cold air generated by heater / ventilation kit contained within the cabin. *(Not illustrated)*

LIGHTS

A wide range of lights can be integrated on your Commander to provide you with incomparable long range illumination: HID lights, halogen lights or combination of both.

FLIP WINDSHIELD

Allows rider to obtain the airflow of a half windshield with the protection of a full windshield without changing any parts. *(Not illustrated)*

WARN PROVANTAGE 4500

Pulling strength capability of 4,500 lb (2,041 kg).

UNDERBELLY PROTECTION

Aluminum plates made with high strength 5052 H32 aluminum and plastic deflector to protect your frame from the unexpected – a must-have for rugged terrains.

WINTER ACCESSORIES

Enjoy your Can-Am side-by-side all year long thanks to our extensive selection of winter accessories. It includes our Super Duty Plow with its hydraulic angling kit to make light of heavy chores as well as our full range of windshields and roofs.

HUNTING ACCESSORIES

When hunting season starts, you need to be ready with the right accessories specifically designed for your hunting trips such as our gun boot with mount, part of the Can-Am accessories by Kolpin collection. Make sure your camouflage is perfect with our complete choice of clothing and accessories that match your vehicle.
