SEA-DOO® SPARK™

TAKING FUN BEYOND WHAT YOU'VE IMAGINED

In a class by itself, the Sea-Doo SPARK watercraft is playful and easy to ride, so everyone in your family will have a blast. Plus, you can choose from five attention-grabbing colors and numerous customization options and accessories.

Blueberry coloration shown

THE EASIEST WATERCRAFT TO BUY, OWN AND TOW

The Sea-Doo SPARK is the most affordable, the most fuel efficient¹ and the lightest² watercraft on the market. Plus, it is easily towable by many popular compact sedans and easier to maintain than any other model.

MADE FOR YOU BY A PROVEN INDUSTRY LEADER

BRP® Sea-Doo has demonstrated its leadership in the watercraft industry for more than 25 years.

– With opt. Front Storage Bin Kit	7.42 US gal / 28 l		7.42 US gal / 28 l

*Electronic brake, neutral & reverse

** iBR adds 13 lb / 6 kg

SPARK

FEATURES

- Exoskel** Is a minimalist architecture that keeps only the essential structural parts in the front section. It reduces the weight while creating a strong, modern and cutting-edge design that defines the unique and playful nature of the Sea-Doo SPARK.
- Polytec**..... Is a recyclable, low density and high-impact composite material that includes polypropylene and long glass fiber reinforcements. It was designed for hull and deck applications to maintain the structural integrity of the watercraft under stress while providing light yet durable parts to support the construction of the product.
- iTC (Intelligent Throttle Control) system**..... Fly-by-wire system that works electronically (no cables) to transfer the input from the throttle lever to the engine. It's a more responsive and precise throttle control that generates better engine calibration and fuel consumption. It also allows for different riding modes like the sport mode that's available with the Rotax 900 HO ACE engine and it's activated by pressing the button under the cluster for 3 seconds.
- D-Sea-Bel™ system**..... Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.
- Closed-Loop Cooling System**..... Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.
- Interactive Multifunction Digital Information Center** Touring mode, Sport mode (HO engine), Fuel level, Tachometer, Speedometer, Hour meter.
- Off-Throttle Assisted Steering (O.T.A.S.™)** Provides the operator with additional steering effect in off-throttle situations for greater maneuverability.
- Stainless steel impeller** Delivers improved acceleration, higher top speed and less cavitation.
- Handlebar with NEW palm rest**
- Sponsons**
- Wetgrip footboard**
- Knee pad**
- Tow hook**
- Rear grab handle**
- Single drain plug**
- Flush Kit**
- Emergency floating lanyard**
- Operator's guide, instructional video and booklet**

FACTORY-INSTALLED OPTIONS

- Seating Capacity**..... Two options: 2up or 3up (for those looking for more room and watersports capabilities). For 2 or 3 persons, the slim seat allows riders to have more mobility and freedom of movement on the watercraft.
- Engine**..... Two options: Rotax 900 ACE (2up only) or Rotax 900 HO ACE. This is an 899 cc four-stroke engine, with three cylinders and four valves per cylinder. It allows for the creation of the most compact and lightweight engine on the market. Built with the acclaimed Advanced Combustion Efficiency technology it's also the most fuel-efficient watercraft in the industry¹ while still delivering excellent power-to-weight ratio.
- iBR and Convenience Package Plus**..... It includes the first and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. The intuitive iBR allows you to stop sooner for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier. You also get the Sea-Doo Step, Front Storage Bin Kit and RF D.E.S.S.™ Key (Radio Frequency Identification).
- Colors available**..... NEW Chili Pepper, NEW Blueberry, NEW Key Lime, Vanilla and Pineapple

OTHER OPTIONS

- Attitude Graphic Kit** Large selection of options with 3 different levels of wrapping enable you to personalize your Sea-Doo SPARK even more.
- VTS™ (Variable Trim System, available on units equipped with iBR only)** Grip Mat
- Tow Pro (Available on 3up units only)** Grip Mat Extension
- Chill Shade** Sea-Doo SPARK 2up or 3up Cover
- Front Storage Bin Kit** Sea-Doo Move Trailer
- Front Deflector Lid Kit** Speed Tie™
- Sea-Doo Step** Removable dry bag for front storage
- Snap-in Fenders** Sandbag Anchor
- Cargo Net** Safety Kit
- Side Protector** Depth Finder
- Manual Reverse Kit** Bilge Pump
- Fire Extinguisher
- RF D.E.S.S. Key (Radio Frequency Identification)

WARRANTY

BRP limited warranty covers the watercraft for one year.

SEA-DOO

PICK AND FIT YOUR SPARK IN 5 SIMPLE STEPS.

SELECT THE NUMBER OF PASSENGERS

Sea-Doo SPARK 2up
Capacity: 2 persons / 350 lb (159 kg)

Sea-Doo SPARK 3up
Capacity: 3 persons / 450 lb (205 kg);
an ideal capacity for 2 adults and 1 child

PICK YOUR ENGINE

Rotax 900 ACE¹ – The most fuel-efficient engine on the market² allows the Sea-Doo SPARK to reach a top speed of 40 mph (64 km/h)³

Rotax 900 HO ACE – A more powerful engine with better acceleration allows the Sea-Doo SPARK to reach close to 50 mph (80 km/h)³

ADD iBR AND CONVENIENCE PACKAGE PLUS

Intelligent Brake and Reverse (iBR) – With our exclusive Intelligent Brake and Reverse (iBR) system you can stop sooner than other watercraft. Plus, get added maneuverability and simple docking.

Convenience Package Plus – Add also great value with three of our most popular optional features. Get the Front Storage Bin Kit and bring along your personal belongings, make reboarding easier with the Sea-Doo Step and get added security with the RF D.E.S.S. key that prevents unauthorized use and prevents theft.

PICK YOUR COLOR

Choose from NEW Chili Pepper, NEW Blueberry, NEW Key Lime, Vanilla and Pineapple colorations and personalize your Sea-Doo SPARK watercraft to match your taste.

PERSONALIZE IT

Select fully integrated accessories and one of our large selection of Attitude Graphic Kits that will make your Sea-Doo SPARK unique to you. It's a unique customization nobody else offers.
