Teal Blue and Manta Green

10.25 in. Touch Display

Bring your on-water experience to another level with this premium and elegant touch display developed specifically for Sea-Doo riders. Enjoy enhanced connectivity and intuitive features including ride statistics, a compass, media control, marine navigation with the BRP GO! app and much more.

BRP Audio - premium system

A factory-installed, truly waterproof Bluetooth* audio system for an extra dose of fun and entertainment on the water.

Watersport Essentials

Everything you need to practice watersports. A quick install retractable ski pylon that stows away when not in use. Features spotter hand grips and rope storage. A wakeboard rack provides convenient storage and transport of a wakeboard.¹

ROTAX® 1630 ACE™ - 230 ENGINE

This powerful engine comes standard with a supercharger and external intercooler. It is optimised to run on regular fuel, which lowers fuel costs.

ST3™ Hull

An innovative hull that sets the benchmark for rough water handling, stability, and offshore performance.

Direct-Access Front Storage

All your gear within arm's reach thanks to a 96 L front storage area, easily accessible from a seated position. Simply raise the handlebars to access essentials for any adventure.

*Electronic brake, neutral and reverse.

¹ Wakeboard and rope not included. Wake Pro 230 shown.
